WORK EXPERIENCE

WIC Program — Houston Health Department

Houston, TX

Nutritionist

March 2024 – Present

- Maintain program data and participant records in compliance with federal nutrition program requirements, ensuring accuracy and regulatory readiness.
- Deliver health education and consultation while adhering to standardized protocols and documentation requirements.
- Compile statistical site information for program reporting and oversight.

Head Start of Greater Dallas

Dallas, TX

Nutrition Specialist

February 2021 – October 2023

- Managed food safety and inventory operations across 3–6 program locations, overseeing food, milk, menus, and kitchen supplies while maintaining audit-ready documentation.
- Achieved two successful center audit outcomes by maintaining meticulous records of food inventory, kitchen maintenance, allergen controls, and compliance documentation.
- Organized and updated specialty menus, allergen lists, and site binders to support consistent food safety execution and regulatory compliance across multiple locations.
- Applied ServSafe food safety principles to daily operations, including temperature monitoring, sanitation verification, and supplier record maintenance.
