

MONICA D. FELÁN

Food Safety Compliance Specialist

Pasadena, TX | 979.549.6720 | felanmonica94@outlook.com | linkedin.com/in/monica-d-felan94

PROFESSIONAL SUMMARY

Compliance-focused food safety professional with 4+ years managing regulatory documentation, audit preparation, and multi-site food operations. ServSafe Food Protection Manager and HACCP certified (in progress), with a proven track record of achieving two successful compliance audits across 3–6 service locations. Strong in regulatory record-keeping, traceability, corrective action documentation, and training. Seeking a Food Safety Compliance Specialist role to support manufacturing compliance, audits, and regulatory readiness.

CORE SKILLS

Food Safety & Compliance: ServSafe Certified | HACCP (in progress) | Regulatory Compliance (FDA/USDA awareness) | Audit Preparation & Support | GMP & SSOP Adherence | Traceability & Record-Keeping | Corrective Action Documentation | Food Safety Training | Sanitation Verification | Allergen Control

Technical: Microsoft Excel (compliance reporting, data tracking) | Microsoft Word, Outlook & Calendar | Inventory Management Systems | Food Safety Logs | Regulatory Documentation | Traceability Systems | LIMS (developing) | Report Generation

Professional: Regulatory Knowledge | Audit Readiness | Multi-Site Coordination | Training & Education | Problem Solving | Cross-Functional Communication | Attention to Detail | Time Management

WORK EXPERIENCE

WIC Program — Houston Health Department

Houston, TX

Nutritionist

March 2024 – Present

- Maintain regulatory documentation and participant records in compliance with federal program requirements.
- Deliver health education and training while adhering to standardized compliance protocols.
- Compile and report site data for regulatory oversight and program compliance verification.

Head Start of Greater Dallas

Dallas, TX

Nutrition Specialist

February 2021 – October 2023

- Managed food safety compliance documentation across 3–6 program locations, maintaining audit-ready records that supported two successful center compliance audits.
- Maintained traceability records for food, milk, and supply inventory, ensuring regulatory readiness and accurate product tracking across multiple sites.
- Organized allergen control documentation and specialty requirement lists where compliance accuracy was essential to program safety.
- Applied ServSafe food safety standards to daily operations, including sanitation verification, temperature monitoring, and corrective action documentation.
