WORK EXPERIENCE

WIC Program — Houston Health Department

Houston, TX

Nutritionist

March 2024 – Present

- Develop and deliver nutrition education programs, applying nutritional science principles to program design and participant consultation.
- Maintain program data and participant information with strong attention to accuracy and detail.

Head Start of Greater Dallas

Dallas, TX

Nutrition Specialist

February 2021 – October 2023

- Developed and managed specialty menus and product specifications across 3–6 program locations, applying nutritional science and allergen control principles to formula development.
- Coordinated multi-site program implementation, managing recipe/menu documentation, ingredient lists, and product specifications to ensure consistent execution.
- Maintained detailed product and ingredient documentation, including allergen controls and specialty requirement lists where formula accuracy was critical.
- Supported two successful compliance audits by maintaining organized records of product formulations, ingredient specifications, and nutritional documentation.
