Technical: Microsoft Excel, Word, Outlook & Calendar | Zoom | Scheduling Systems | Data Entry & Maintenance | Records Management | Report Generation

WORK EXPERIENCE

WIC Program — Houston Health Department

Houston, TX

Nutritionist

March 2024 – Present

- Serve clients and their families directly in a high-volume public health program, providing information, guidance, and a professional, compassionate experience.
- Coordinate appointments, class scheduling, and follow-ups while maintaining accurate, confidential participant records.
- Compile and maintain participant data, ensuring records are current and readily accessible for reporting and service continuity.

Head Start of Greater Dallas

Dallas, TX

Nutrition Specialist

February 2021 – October 2023

- Coordinated schedules, documentation, and service delivery across 3–6 program locations, maintaining accurate operational records.
- Maintained organized, up-to-date participant and requirement records, supporting consistent service across multiple sites.
- Supported two successful center audits through disciplined, audit-ready record-keeping and reporting.
