

MONICA D. FELÁN

Program Coordinator

Pasadena, TX | 979.549.6720 | felanmonica94@outlook.com | linkedin.com/in/monica-felan

PROFESSIONAL SUMMARY

Organized program coordination professional with 4+ years administering multi-site public health programs, maintaining compliance documentation, and serving as a liaison across teams and community stakeholders. Skilled in coordinating educational programs and events, compiling accurate reports, and maintaining controlled records that support successful audits. Seeking a Program Coordinator role where documentation discipline, coordination, and clear communication drive program success.

CORE SKILLS

Professional: Program Coordination | Stakeholder & Community Liaison | Compliance Documentation | Event & Class Coordination | Reporting & Record Keeping | Multi-Site Operations | Public Speaking | Time Management

Technical: Microsoft Excel, Word, Outlook & Calendar | Zoom | Data Collection & Maintenance | Report Generation | Scheduling & Coordination | Audit Documentation

WORK EXPERIENCE

WIC Program — Houston Health Department

Houston, TX

Nutritionist

March 2024 – Present

- Coordinate and facilitate health education classes and programs, serving as the point of contact for participants, families, and community partners.
- Distribute accurate program information and act as a liaison between clients and program services across a high-volume public health setting.
- Compile, maintain, and report statistical site and participant data, ensuring documentation stays accurate, current, and audit-ready.

Head Start of Greater Dallas

Dallas, TX

Nutrition Specialist

February 2021 – October 2023

- Coordinated program operations, schedules, and specialized requirement documentation across 3–6 locations, keeping records consistent and controlled.
- Organized, labeled, and maintained site binders, requirement lists, and program documentation to support smooth multi-site execution.
- Contributed to two successful center audits by preparing and maintaining audit-ready records covering inventory, compliance, and operational concerns.
