WORK EXPERIENCE

WIC Program — Houston Health Department

Houston, TX

Nutritionist

March 2024 – Present

- Compile and maintain accurate participant and site data, ensuring records meet program quality and compliance standards.
- Conduct educational sessions while maintaining documentation of program delivery and participant engagement.

Head Start of Greater Dallas

Dallas, TX

Nutrition Specialist

February 2021 – October 2023

- Performed quality inspections of food, milk, and kitchen supply inventory across 3–6 locations, ensuring products met safety and program specifications.
- Maintained detailed quality and compliance records that supported two successful center audits with zero major findings in food safety documentation.
- Monitored and documented inventory controls, supplier records, and product specifications to ensure consistent quality across multiple sites.
- Organized specialty requirement lists and allergen documentation where accuracy and attention to detail were critical to program safety.
