Technical: Microsoft Excel, Word, Outlook & Calendar | Zoom | Data Collection & Entry | Statistical Record Maintenance | Report Generation | Documentation Systems

WORK EXPERIENCE

WIC Program — Houston Health Department

Houston, TX

Nutritionist

March 2024 – Present

- Engage program participants directly, delivering health education and counseling while collecting accurate participant information.
- Compile, enter, and maintain statistical participant and site data, ensuring completeness, accuracy, and confidentiality.
- Administer education programs and distribute accurate information to participants across a high-volume public health program.

Head Start of Greater Dallas

Dallas, TX

Nutrition Specialist

February 2021 – October 2023

- Collected, organized, and maintained participant and program data across 3–6 sites, supporting accurate reporting and program administration.
- Maintained controlled documentation and requirement records in line with program compliance standards.
- Supported two successful center audits by maintaining accurate, audit-ready data and compliance records.
